

## **Companies invited to sponsor GCA conference**

THE GARDEN Centre Association (GCA) is looking for businesses from the horticultural industry to sponsor its annual conference taking place in January next year (2013).

The GCA is on the hunt for organisations that would like to be associated with the event, which will be held in Oxfordshire from January 27 until 29.

Phil Slinger, GCA Chief Executive said: “The annual GCA conference gives our industry leaders the platform to spell out their visions, allows our members to showcase their products and services and provides excellent networking opportunities.

“Sponsors will have access to more than 300 delegates from the nation’s leading garden centres, including independents and chains, in a relaxed and friendly environment, during lunch or in a lecture theatre.

“We would love to hear from any businesses who are interested in sponsoring our conference.”

Visitors to the 2013 event will be able to see presentations by a range of speakers, including experts from the industry.

The GCA 2013 Conference takes place from Sunday, January 27 until Tuesday, January 29 at the Crowne Plaza Heythrop Park near Chipping Norton, Oxfordshire.
