

Media release for the Garden Centre Association

GLEE visitors invited to GCA's stand

STAFF from the Garden Centre Association (GCA) will have a stand at GLEE this month (September, 2014) where existing members and those interested in finding out more can drop by.

The GCA will be at the event at the National Exhibition Centre (NEC) in Birmingham on stand G38 in hall 20 from Sunday, September 14 until Tuesday, September 16.

Will Armitage, Chairman of the GCA, explained: "GLEE is the largest horticultural industry exhibition and many of our members will be attending.

"Not only is it a great opportunity for garden centre staff to find out the latest horticultural news and see the newest products on offer, it is also a chance to catch up with other GCA members.

"I will be attending and I look forward to catching up with as many members as possible during the course of the event."

GLEE takes place at the NEC in Birmingham from Sunday, September 14 until Tuesday, September 16. The GCA stand is located in hall 20, near the business lounge. The stand number is G38.

Will added: "We are also looking forward to chatting to anyone who would like to find out more about the association and will have an information pack available for garden centres and suppliers interested in membership."
