

Media release for the Garden Centre Association

Scotland and N.Ireland winners unveiled by GCA

THE GARDEN Centre Association (GCA) revealed its Scottish and Northern Irish regional winners at a presentation today (Friday, September 25, 2015) at Glendoick Gardens Ltd Nursery & Gardens in Glencarse, Perth.

Garden Wise Plant & Garden Centre was awarded Best Garden Centre (GC) and Raemoir Garden Centre won Best Destination Garden Centre (DGC) in Scotland. Creative Gardens Donaghadee scooped Best Garden Centre in Northern Ireland.

Iain Wylie, Chief Executive of the GCA, said: “The Scotland and Northern Ireland area awards evening is always a popular event and this year proved to be no exception. It was a great opportunity to visit one of our newer members, Glendoick, and we thank them for hosting the occasion. There were some fantastic examples of best practice and innovation shown in the presentation and there were some very worthy winners.

“The award for Best Customer Service went to Garden Wise Plant & Garden Centre in Scotland and Creative Gardens Donaghadee in Northern Ireland while the award for Most Improved Centre in Scotland went to Klondyke Garden Centre – Mayfield and Bushmills Garden centre in Northern Ireland.”

The awards are decided by the results of the annual inspections, which take place at all GCA garden centres. Garden centres have no advance warning about when their inspection will take place and they do not have the option to turn away the inspector.

The Best Garden Centre and Best Destination Garden Centre awards went to the members that scored the highest overall mark in the area in their annual inspections.

The top scoring centres overall, nationally, in both the Destination Garden Centre and Garden Centre categories will be re-inspected before the titles of Garden Centre of the Year and Destination Garden Centre of the Year are announced at the GCA annual conference taking place in January 2016.

The full results for the Scotland and Northern Ireland GCA area awards are as follows for the GC and DGC categories:
