For more information, please contact: Sam Bosworth - sam@bosworthsgc.co.uk

We look forward to an enjoyable few days exploring how garden centres across the country bring the Planteria to life.

Please note that times, routes and venues will be confirmed closer to the event. Each tour will remain within its designated area and includes an extended stop at one centre for lunch. Attendees are encouraged to share ideas and best practice throughout the day - a key part of the GCA's collaborative ethos. Coach transport will be provided.
